

HTA Specialist / Health Economics Consultant Pharmaceutical Industry Contract Work

KMC Health Care was established 20 years ago and is a small, dynamic team of Health Care Consultants, who would like to invite an experienced Health Economist or HTA Specialist to join our team.

KMC Health Care have a wide breadth of established clients with a variety of projects. We are looking for a motivated, collaborative and engaged member to join the team with an understanding of both clinical and economic aspects of Health Technology Assessments.

Requirements:

- Minimum 3 years experience, writing a variety of funding submissions (including PBAC and MSAC submissions)
- Medical writing experience, preferably with published articles
- Ability to work independently within a team environment
- Flexibility of hours within set project deadlines
- Work from home
- Suitable for someone returning to work after a break or wishing to have a greater work/life balance

If this sounds like you, please forward your resume and covering letter to admin@kmchealthcare.com by 24th December 2021.
